This list is constantly under review as it is important to us that our customers and potential customers receive exceptional service not only from Christies/Centro Residential Sales and Lettings but also from the suppliers that we recommend.

If you decide to take advantage of these related services, we will receive the following referral fees:

FINANCIAL SERVICES

Christies/Centro Residential Sales and Lettings recommend AWS Private Finance to all its clients but as previously stated you are under no obligation to use this service.

The referring negotiator receives £50 for the introduction.
